

Awards for Outstanding Student Research 2008/09

The School of Science and Engineering is pleased to announce the 2008/09 search for Awards for Outstanding Student Research in four categories:

- **Undergraduate – Basic Science & Mathematics**
- **Undergraduate – Applied Science & Technology**
- **Graduate – Basic Science & Mathematics**
- **Graduate – Applied Science & Technology**

These awards seek to recognize research work undertaken by students of the SOSE. The work may be part of an undergraduate or graduate thesis or any other project which the student is involved in.

The top two winners in each category will receive a plaque and prize. Departmental Research Awardees will also be selected.
