Work-Related Experience: On-the-Job-Training – Innove Communications

Seminars Attended: Participant, AECES Talks and Seminar Series (2006)
Participant, Student Research Symposium (2006)

Skills: I am computer literate from hardware and software such as MS Office and circuit simulation programs like Electronic Workbench and Multisim. I have good research skills. I can perform well under pressure. I can work well with groups and can communicate with other people.

Interests: I love to read science fictions, surf the internet and listen to rock music. I keep myself updated with the latest development on electronic devices. Keeping pets has been my hobby especially with dogs and fishes and recently with invertebrates like tarantulas and scorpions. Basketball and badminton are my favorite sports.
