**Skills:** I am fluent in English and Filipino. I am computer literate in programs such as MS Office, Multisim, Electronics Workbench, and AutoCAD. I am also familiar with the desktop Ubuntu operating system. I also have leadership and research skills. My other skills include tutoring, writing, editing, and programming in C/C++, Visual Basic, SQL/MySQL, PHP,

Assembly, and Verilog. I am also knowledgeable in modeling languages such as UML.

**Interests:**

I enjoy surfing the net, reading blogs and manga. I also enjoy watching movies, television series, and anime, especially with friends. I particularly like to act in plays. I sometimes play basketball. I am also interested in microfinancing especially the Grameen Bank, innovations, and learning the rudiments of business.
