

**LOVELYN FAITH LOMANTAS CABILES**  
**BS Chemistry with Applied Computer Systems**

City Address: 71-H 11<sup>th</sup> Ave. Murphy Quezon City  
Provincial Address: Lot 12, Blk 17 NHA Phase III, Bangkal, Davao City

Contact Number: 0916 3813514  
E-mail Address: lovefaith\_cabz@yahoo.com

**PERSONAL INFORMATION:**

Birthdate: June 23, 1987	Age: 21	Gender: Female	Nationality: Filipino
Civil Status: Single	Height: 5'4"	Weight: 106 lbs.	

---

**OBJECTIVE:** To find a noble career where knowledge acquired can be applied for personal and the society's growth and development. Major interests include IT, software programming and development, computational chemistry, human relations and social work.

**ACADEMIC & CO-CURRICULAR PROFILE:**

Ateneo de Manila University  
Bachelor of Science  
Major in Chemistry (2008)

Major in Applied Computer Systems (2009)

- Student Leader - InterVarsity Christian Fellowship (a student-initiated campus ministry)
- Manager for Personnel Development - Executive Team, Council of Organizations of the Ateneo
- Active Member - Ateneo Chemical Society, Philippine Association of Chemistry Students, Inc.
- Full Scholar (100% Tuition & Fees plus Living Allowance)

Theses: *Molecular Dynamics Simulation of 6-8-10 Triglycerides as Initial Modeling of VCO (using GROMACS)*

- participant - EurAsia Chem Conference, poster session (January 2008)

*Algae for Oil*

Philippine Science High School - Southern Mindanao Campus (2004)

- Rank 7
- Gerry Roxas Foundation Leadership Awardee
- Davao Jaycees Leadership Awardee
- Regional Chairperson - Philippine Society of Youth Science Clubs, Inc. (Region XI)

Holy Child DCLC, now Holy Child School of Davao (2000)

- 1<sup>st</sup> Honors / Valedictorian
- Directress Awardee for Leadership
- Directress Awardee for Conduct
- Excellence in Math

**OTHER INVOLVEMENTS:**

Church Youth Officer (since early teenage years)  
Church Music Team Member; sometimes directs voice ensembles

**WORK-RELATED EXPERIENCE:**

Junior Intern (Summer 2003) - Bureau of Fisheries and Aquatic Resources RO-XI (worked as QA lab assistant)

**SKILLS:**

I understand and speak English, Filipino and Cebuano. I also had basic training in the Spanish Language. I am

computer literate, having much experience with both Windows and Linux OS. I have basic knowledge in HTML, C/C++/C# and Java programming. I am also capable of circuit simulations using Electronic Workbench, Synapticad and Altera's Quartus. I enjoy working with computers, exploring both its software and hardware components. My various exposures since childhood have molded me into a well-rounded person with good interpersonal skills.

***OTHER INTERESTS:***

I love music. I sing, play various musical instruments (keyboard/piano, guitar, drums), and dance even. I had participated in theater workshops before. I am a sports enthusiast, too, with competence in table tennis, basketball, and badminton. My adventurous side has brought me to places as far as the remote areas of Mt. Province.
