

Favila, Chrisandro M.

Personal Information					
Home Address	Quezon City	Birthdate	July 28, 1986	Nationality	Filipino
Email Address	cq_1988-at-yahoo.com	Age	20	Sex	Male
Height	5'4"	Weight	130 lbs.	Class	CE195.1

Curriculum Vitae

Job Objectives

- ▶- Interested in telecommunications, hardware or software design, and research

Education

- ▶- Bachelor of Science (2008)
Major in Electronics and Communication Engineering
Ateneo de Manila University
- Claret School of Quezon City (High School 1999-2003)
- Colegio de San Lorenzo (Grade School 1993-1999),

Thesis Topic

- ▶- Implanted Electronics

Co-Curricular Activities

- ▶- Member, AECES Network Team, 2006-2007
Member, Ateneo Electronics Engineering (AECES), 2006-2007
Logistics and Documentations Chief, AECES Summer School, 2007
Former member, Ateneo Musician's Pool, 2003-2005
Technical Team, Ateneo Musician's Pool, 2003

Work Related Experience

- ▶- part of a 7-man team that established a computer literacy program for public school students in Eulogio Rodriguez Sr. Elementary School (2007). That includes crafting the curriculum, acquiring donations, and troubleshooting and networking donated computer units.

Seminars Attended

- ▶- presenter, WACBE World Congress on Bioengineering, 2007
presenter, *Interlinks 3.0 School of Science and Engineering poster presentation*, 2007
participant, *AECES talk on 3G*, 2006
participant, *AECES talk on DSLAM*, 2006

participant, *AECES talk on Intel Core2 Duo*, 2006

participant, *School of Science and Engineering Student Research Symposium*, 2006

participant, *7th National Electrical, Electronics, Computer and Communications Engineering Conference*, 2006

Skills and Talents

- ▶- I am a quick learner and a good researcher. I can work comfortably in both relaxed and pressured environments. I am adept at using and networking with Windows and Ubuntu OS. I am literate in programs such as MS/Open Office, Matlab, DevC++, and MultiSim. I am also familiar with technologies about electric guitar. I can also assemble and troubleshoot desktop computers.

Interests

- ▶- I enjoy listening to music and I playing the guitar. I also like recording, surfing the net, and reading books. I am very interested in innovative research that led me to volunteer for conducting laboratory experiments. I also like to play around with the electronics of my electric guitar and guitar effects. I am currently active in helping public school students have a computer literacy program.
