

Moreno, Rafael R.

Antipolo City	08-25-1985	Filipino
paeng.moreno-at-gmail.com	21	Male
5'4"	160 lbs	

## Job Objectives

- ▶ Interested in computers – design and development, manufacturing, and airlines.

## Education

- ▶ Bachelor of Science (2007)  
Major in Physics  
Ateneo de Manila University
  
- Ateneo de Manila High School (2003-1999)  
Secondary Education
  
- Claret School of Quezon City (1999-1991)  
Elementary Education

## Thesis Topic

- ▶ “DC Sputtering of Molybdenum” (2006-2007)  
A study on effectively sputtering a molybdenum target for fixed argon gas pressure. Different values of voltage across the electrodes and operating current were used, and energy dispersive x-ray (EDX) analysis was used to determine if molybdenum was indeed coated on the substrate.
- “Solar Team” (2007-2008)

## Co-Curricular Activities

- ▶ Assistant Finance & Logistics Officer (2007-2006), Member (2006-2005), League of Physicists (LeaPs)  
Public Relations Committee Head (2006-2005), Socially-Oriented Organization of the Ateneo Representative (2005-2004), Public Relations Committee (2007-2003), Ateneo College Ministry Group (ACMG)

## Work Related Experience

- ▶ Co-authored a thesis on “DC Sputtering of Molybdenum”  
Conducted ACMG Mass Service Trainings  
Facilitated group dynamics and ice breakers for the ACMG  
Served during Institutional and Daily Masses in the Ateneo de Manila University

## Seminars Attended

- ▶ Participant, Facilitators’ Training Seminar (2005)  
Participant, ACMG Mass Service Training (2006-2003)  
Participant, ACMG Liaison Officers Training (2005)

## Skills and Talents

- ▶ I can speak and write English and Tagalog. I have basic knowledge in programs such as MS Office and Macromedia Flash. I am knowledgeable in basic programming languages such as C and C++.

## Interests

- ▶ I enjoy playing basketball, table tennis, lawn tennis, pool, war games, surfing the net, swimming, watching movies and TV Series with friends. I like collecting model race cars and airsoft guns. I am also interested in digital photography. My favorite sport is basketball.
