

## LORD ALEC M. PASION

386 D Northwest Ipil St.,  
Marikina Heights, Marikina City  
(02)9332931, 09213355448, lpasion@rocketmail.com

21 years old  
April 12, 1987

5'4"  
120 lbs.

Single  
Filipino

**Job Objective:** Interested in teaching, scientific research and development, information technology and human relations

**Education:** Bachelor of Science  
Major in Chemistry (2008)  
Major in Applied Computer Systems (2009)  
Ateneo de Manila University  
Honorable mention candidate  
Ateneo Freshman Scholar (100TF)

**Co-Curricular Activities:** Member (2009-2004), Inter-High School Chemistry Competition Project Head (2007), Ateneo Chemical Society  
Participant (2009-2002), Volunteer (2008-2004) Pathways to Higher Education Program  
Member (2008-2005), Secretariat Committee, Ateneo Freshman Orientation Seminar  
Manager of Acquisitions (2008), Council of Organizations in the Ateneo ExTeam  
Member (2008-2004), Philippine Association of Chemistry Students  
Member (2007-2005), Alay ni Ignacio  
Member (2006-2004), Ateneo Science Guild  
Member (2006), Kaingin  
Member, Secretariat Committee, Ateneo Chemistry Department Alumni Homecoming (2005)  
Member, Academics Committee (2005-2004), Ateneo Gabay

**Work-Related Experience:** Conducted a study: "Corrosion Studies on Iron Electrode via Potentiodynamic Polarization and Voltammetry" (2007-2008)  
Conducted a seminar: "Potentiodynamic Polarization as A Tool in Corrosion Monitoring" (2006-2007)  
Assessor (2008-2005), Loyola Schools Assessment Team  
Proctor (2008), Ateneo College Entrance Test  
Examiner (2008), Loyola Schools Seniors Guidance Testing  
Personal Tutor (2007)

**Seminars Attended:** Participant, Smart I. T. Summit (2008)  
Participant, In the Eye of the Perfect Storm: What the Philippines Should Do About Climate Change (2008)  
Participant, Ateneo de Manila University Chemistry Seminar Series (2008-2006)  
Participant, Ateneo School of Science and Engineering Symposium on Student Research (2007)  
Participant, 33<sup>rd</sup> Ateneo Center for English Language Teaching Bi-annual Conference (2005)

**Awards Received:** Participant, Ateneo School of Science and Engineering Awards 2008  
Dean's Lister (2nd Semester SY 2006-2007, 1<sup>st</sup> and 2<sup>nd</sup> Semesters SY 2007-2008)

**Skills:** I have good skills when it comes to finding related literature for scientific work. I can do laboratory work well and can operate chemical instruments such as gas chromatograph, IR spectrophotometer and UV-Vis spectrometer. I am computer literate in programs such as MS Office and Open Office. I can speak and write fluently in both English and Filipino. I can read and write basic Spanish. I communicate well and can speak in front of a large audience comfortably. I can also do basic editing and layout using Adobe Photoshop. I understand and write simple programs in C++, C#, and Verilog. I am flexible in working individually or in a group either as a member or a leader.

**Interests:** I enjoy reading detective novels, watching films and theatre (plays and musicals), and traveling. I read magazines about the latest innovations and technology. I love learning anything about data communications and networking. I enjoy talking to people and engaging in focus group discussions. I am a keen observer and an open-minded person. I am also into sports like badminton and bowling.
