112428	67.68	72.50	62.86		114705	66.07	65.00	67.14

A CS > 92
B+ CS > 86
B CS > 81
C+ CS > 76
C CS > 69
D CS > 60
F otherwise

To make a conservative estimate your class standing if you did a presentation, assume you got a 95% for the presentation. Add 95 to your two-exam average above to get an estimate of your prefinal grade.

Sci 10 make up exam is scheduled for Friday 12 October 11:30am at F-304.

Comprehensive coverage, purely objective. Confine your review to the plenary sessions and my in class powerpoint presentations. I'll probably add a few bonus objective questions from your group presentations.

Thanks, Nat Libatique.
