

CHRISTINE R. BOONGALING

Las Pinas City
tin.boongaling-at-gmail.com

20 years old
December 22, 1986

5'2"
113 lbs.

Single
Filipino

Job Objective: Interested in a career that involves software/hardware design in the telecommunications and biomedical industries.

Education: B.S. Electronics and Communications Engineering
5th Year Student
Ateneo de Manila University

Graduate, (2003)
Elizabeth Seton School, Las Piñas City

Thesis Topic: Implantable Blood pH Sensing System for the Diagnosing of Respiratory and Metabolic Diseases

**Co-curricular
Activities:**

Institute of Electronics and Communications Engineers of the Philippines (IECEP) member (2007-2004)
Board of Director for IECEP-NSC (2005-2004)
Ateneo Mathematical Society (AMS) member (2007)
Ateneo Electronics Engineering Society (AECES) 4th Year Batch Representative (2007-2006)
AECES Member (2007-2003)
AECES Campus Exchange (UP and La Salle) volunteer (2005)
AECES Block Representative (2004)

**Work-Related
Experience:**

Innove Communications (OJT) from May 2, 2007 until June 3, 2007

Seminars Attended:

Honda ASIMO Demonstration (2006)
Participant, AECES-STRAINS (Ateneo Student Trainers) Leadership Training Seminar / Team Building Seminar (December 3, 2005)
Participant, IECEP-NSC (IECEP National Student Chapter) Electronics Workshop held at Adamson University (January 21, 2006)
IECEP 2nd National Summit (January 28, 2006)

Skills and Talents: I am computer literate, with good communication skills and familiar with programs such as MS Office, AutoCAD, as well as programming software C++ and Visual Basic. I am fluent in Filipino and English, currently studying German.

Interests: I am interested in the field of Telecommunications and Biomedical Engineering. I spend my free time watching movies, playing billiards, reading novels and surfing the internet.
