

John Lester G. Lim

27 Scout Delgado Street, Barangay Laging Handa, Quezon City
(02)371-2297 or 371-2298, +63918-6280033, jlesterlim@yahoo.com

21 years old
October 11, 1985

5'10"
250 lbs.

Single
Filipino

Job Objective: Interested in design and implementation of microprocessors and microcontroller circuits, telecommunications, semiconductors, research and development, and manufacturing.

Education Bachelor of Arts (2008)
Major in Electronics and Communications Engineering
Ateneo de Manila University

Thesis Topic: [Wii Development : Sports Physics \(Biomechanics of Tennis and Golf\)](#)

Co-Curricular Activities: Member (2007-2003), Ateneo ElectroniCs Engineering Society
Member (2007- 2006), AECES Choir
Member (2007) Celadon(Fil-Chi Sorganization)
Statistic Head (2007-2006), AECES basketball sportsfest Community
Member (2007), IECEP (Institute of Electronic Engineers of the Philippines)

Work-Related Experiences: Thesis Assistant, Ateneo de Manila University (2006)
OJT in Chung Yuan Christian University in Chung Li, Taoyuan, Taiwan (Summer, 2007)

Seminars Attended: Participant, 7th National, electrical, Electronics, Computer and Communications Engineering Conference (December 2006)
Participant, AECES wireless technology talk (September 2006)
Participant, First Aid seminar (August 2006)
Participant Safety and Hazard Seminar (For Earthquake and Fire) (July 2007)
Participant and Exhibitor in IECEP's 57th National Convention and 8th ECE Conference "Electronics Engineers in the Forefront of Technology (November 23-24, 2007)

Skills: I can speak and write Chinese (Mandarin or Fookien), and basic Japanese. I am also fluent in English. I am knowledgeable in the programming language of some microprocessors like the z8, z80 and PIC and knowledgeable in C++ programming. I have experience in using and programming FPGA's. I am knowledgeable in Cmos design using tanner tools. I am also

familiar with basic verilog and VHDL languages. I am computer literate and can handle word processors, spreadsheets, image design using photo shop and power point presentations. I have good research and laboratory skills. I work well either individually or with other people. I love to be challenge and to be placed under pressure.

Interests:

I enjoy listening to music, watching movies, following some T.V. series, reading books, magazines news papers ,and managing sports fantasy leagues. My favorite sports are basketball, billiards and baseball.
