

Pasco, Jenna Riz D.

Home Address: Talomo, Davao City
Birthdate: March 2, 1985
Nationality: Filipino
Email Address: jenna_baj-at-yahoo.com
Age: 22
Sex: Female
Height: 5'2"
Weight: 105lbs
Class: CE195/MSE160

Job Objectives: Interested in research, manufacturing, human resource development, and public relations.

Education: Bachelor of Science
Major in Chemistry (2007)
Major in Materials Science and Engineering (2007)
Dean's Lister (1st semester, 2003)
Ateneo de Manila University
Full Scholar (100% Tuition and Fees)
DOST Scholar

Co-curricular Activities: Ateneo Chemical Society: Member (2007-2002)
Philippine Association of Chemistry Students (PACS): Member (2007-2002) Ateneo
Science Guild: Member (2007-2002)
Ateneo Science Guild: Secretary-General (2006-2005)
Science and Technology Organization: Member (2007-2002)
Environmental Science Society: Member (2005-2004)
Gawad Kalinga-Ateneo: Member (2007-2006)
Kythe: Member (2004-2003)

Work Related Experience: Student Assistant (2003), Ateneo Rizal Library
Technical Assistant (2004), worked part-time at the NCIC (Chem Dept) for the Harvard-Ateneo Clark Project
Logistics Head (2005), 1st Ateneo Chemistry Alumni Homecoming
Private Tutor (2007-2006)

Seminars Attended: Participant, Undergraduate Chemistry Research Seminars (2007-2005)
Participant, Undergraduate Research Symposium (2006-2005)
Participant, Seminar on Safety Hazards (2006-2005)
Facilitator, Documentations Seminar for Ateneo Science Guild (2006-2005)

Skills and Talents: I am a well-rounded person with good leadership and interpersonal skills, as well as excellent technical and research skills in Chemistry. I am experienced in handling various

chemical instruments such as the gas chromatograph, infrared spectrometer, and UV-VIS spectrometer, and proficient in electrochemical analysis and method validation as well. I am also good with computers and very familiar with basic computer programs such as MS office, Adobe, and Internet Explorer. I also know basic programming using C++. I am very adaptable and love to experience new things. I can work well even under pressure. I also enjoy meeting and dealing with different kinds of people. I am creative and good in organizing events. I can speak and write in English, Filipino, Bisaya, and basic Japanese.

Interests:

I love watching movies, singing, drawing sketches of people and places, and travelling, I also enjoy playing billiards, basketball, as well as other kinds of sports. I am a very adventurous person who enjoys trying out and doing new things. I am also very creative and I like to make and assemble things out of old materials.
