VI. SPECIAL AND TECHNICAL SKILLS

Special Skills Excellent leadership and management skills, great communication skills and trained in public relations, excellent public speaking skills (impromptu and extemporaneous), debate skills, mathematical skills and analysis, tech-savvy , intuitive in solving/troubleshooting computer and network problems; fluent in English, Filipino, Waray and Cebuano.

Interests I love coming up with new ideas for innovations and making them a reality, as applied in my current Wii-based thesis. I love basketball, volleyball, football, hiking, camping, computers, writing poetry, composing songs and playing guitar and currently focused as a competitive powerlifter. I spend my extra time in online trading of computer related hardware, and Small time Import-export of the said products.

Technical Skills Computer-literate with proficiency in Office Applications like Microsoft Word, OpenOffice, Microsoft Excel, Microsoft Powerpoint, Dev-C++, Electronics Workbench, and MultiSim Design. Also acquainted with UNIX operating systems. Well experienced in troubleshooting computer problems and maintaining Local Area Networks. Well-experienced in various antivirus software. Has experience in using photoshop and flash. But my most importantly skill is if it can be learned, then I will learn it.

I am currently a part of the Wii Team. Our team's goal is to use the Nintendo Wii to come up with biomedical sports and rehabilitation applications.
