Awards and Achievements:

UAAP Swimming Gold Medalist (2003)

UAAP Swimming Medalist (2004)

Skills:

I have good leadership skills and enjoy facilitating and organizing group activities and events. I am competent in MS Office and circuit simulation programs such as Electronic WorkBench and Multisim. I am also a competitive swimmer.

Interests:

I love watching movies and television series. I like listening to music and watching bands play live. I enjoy reading books and playing card games too. I also take pleasure in doing physical activities while admiring the beauty of nature such as going to the beach and trekking.
